WFEO/FMOI
World Federation of
Engineering Organization

Young Engineers
Future Leaders
Conference

What is WFEO YE/FL?

WFEO YE/FL stands for the "Young Engineers / Future Leaders" standing committee of the World Federation of Engineering Organizations (WFEO). It constitutes the young engineers and student members board of the WFEO since 2011, where in Geneva WFEO agreed to accept YE/FL as a standing committee as Kuwait proposed with the support of Capacity Building Committee (CBC).

Young Engineers/ Future Leaders Conference

WFEO YE/FL is organizing the Young Engineers/ Future Leaders Conference held for the benefit of international young engineers and engineering students.

Conference Topics

First (Youth)

- Soft skills development.
- Encourage young entrepreneurs.
- Encourage talented young by sponsoring their projects.
- Activate youth responsibility to society.

Second (Engineering & Technology)

- Foster young engineer's technical skills and knowledge of global engineering expertise.
- Demonstrate young engineer's successful experiences around the world.
- Encourage young engineers to contribute to the engineering profession and society.
- Introduce the importance of engineering societies to young engineers.

Third (Globalization & International Relations)

- Share experiences through contact with young engineers from all over the world.
- Recognize and take advantage of latest technologies.
- Create network of young engineers around the world.
- Create a database of active youth members all over the world.

Young Engineers / Future Leaders Conference					
Day 1		Day 2		Day 3	
Theme:	Youth	Theme:	Engineering and Technology	Theme:	Globalization & International Relations
Registration 8:00 -9:00 am					
Opening Ceremony and Keynote Speaker 9:00 - 11:00 am		Session (1) 9:00 - 10:30 am		Session (1) 9:00 - 10:00 am	
Session (1) 11:00 am - 12 pm		Session (2) 10:30 am - 12:00 pm		Session (2) 10:30 am - 12:00 pm	
Lunch Break 12:00 - 2:00 pm					
Session (2) 2:00 - 3:00 pm		Session (3) 2:00 - 3:00 pm		Session (3) 2:00 - 3:00 pm	
Workshop: Growing professional engineer 3:00 - 4:00 pm		Workshop: Investment of engineering talents in the open market 3:00 - 4:00 pm		Workshop: Importance of communication in expertise exchange and transfer 3:00 - 4:00 pm	
BREAK 4:00 - 6 pm					
International Icebreaker Reception 6 - 9 pm		Tour 6 - 9 pm		Closing Ceremony and Keynote Speaker 6 - 9 pm
