

*Payment status on March 31 – Synthesis*

- **2019 global payments: EUR 127K were payed out of 313K (41%),** taking into account the diminished fees for some international (from 4,050 to 2,700) and national members (from 900 to 700).

To be compared to:

→ On 31 March 2017: EUR 133K were payed out of EUR 280K; (47%)

→ on 31 March 2018, EUR 101K were payed out of EUR 332K (30%)

- Within this total, national members payments weight for EUR 105K payed out of 256K (41%).
- To be noted that the arrears dues in total have significantly augmented, at 105K (when in 2017 the 2014-2016 arrears were of EUR 53K), due to the important proportion of 2018 outstanding dues.
- **35 voting members out of 102 have paid their dues (33%: in 2017 38% had.)**

→ **31 national members out of 92 are in good standing.**

→ **4 International members out of 10 are in good standing.**

→ **3 associate out of 11 are in good standing.**

- By geographical areas:

→ Africa: 3 members out of 18 payed (24% of the region's dues)

→ America: 5 members out of 16 payed (51,5% of the region's dues)

→ Asia: 5 members out of 15 payed (23% of the region's dues)

→ Europe: 12 members out of 23 payed (53% of the region's dues)

→ MENA: 5 members out of 17 payed (34% of the region's dues)

→ Oceania: 1 member out of 3 payed (61% of the region's dues)
